To,
The Secretary General,
ITGOA,
New Delhi.

Dear comrade,

Kindly refer to your mail dated 09.03.2013 inviting the suggestions of the state units for further intensification of the ongoing program of agitation.

Accordingly, the office bearers of our state unit met on 14.03.2013 (the meeting was also attended by a good number of executive committee members) and unanimously decided in favour of continuation of the ongoing agitation program. The members felt that the ongoing program is indeed having effect on the CBDT, though they are trying to put up a brave front. The meeting further congratulated the central leadership for the strong letter dated 12.03.13 condemning the threat of victimization issued by Sri S.S. Rana , Member, CBDT, New Delhi on 8.3.2013 against our members. As decided, I am submitting below the following suggestions which can be considered for intensification of the ongoing program of agitation

- a) Immediately give a call of boycott of all higher authorities/official functions and meetings so that no statistical information can be passed on verbally, during the course of such meeting.
- b) Regular lunch time demonstrations can be organized in front of the offices of cadre controlling CCsIT /CsIT.
- c) One day *dharna* in front of important offices.
- d) Press meets can be organized both at state levels as well as centrally to publicize our demands.
- e) Candle light march at New Delhi to mobilize public opinion against the injustice meted out to our members.
- f) One day strike in the month of April, 2013.

The meeting also decided to request the central leadership bring our JCA partner in the fold of agitation in order to give the ongoing program of agitation a boost.

Comradely yours,

Sd/-
