Comrades,

Enclosed herewith is press note on CRC, letter to MPs on CRC, Final note on adverse impact of CRC and a draft letter from MPs to PM & FM.

All the Unit leaders of ITGOA are requested to give wide publicity to the press note (if need be by holding press conference), contact as many MPs of their regions and request them to write to Hon'ble PM & Hon'ble FM on the adverse impact of keeping the post of DCIT/ACIT vacant on the Revenue collection. Changes, as deemed fit, can also be made to the letter to MPs, Letter from MPs and Press note.

All out efforts must be made to highlight the injustice that are being heaped on our members and only then we can expect corrective steps or decisions in this regard.

With fraternal regards,

Rajesh Menon  
Secretary General
