Dear

Subject: Replacement of RSA token- Most urgent

The Directorate has communicated to all CsIT (CO), vide letter in ADG(S)-IV/2015-16 dt 21.08.2015 that RSA tokens that are expiring on 27th September should be replaced on a urgent basis in order that work of officers and staff in the field continues unhindered, especially, in view of the urgent need to issue notices under 143(2) for cases selected under CASS. The aforementioned letter has been placed on www.irsofficersonline in DG Systems corner and may be referred for details.

The requisite number of new RSA tokens with 5 years validity have also been distributed to all the CsIT (CO) and receipt acknowledged by them. I would be very grateful if you could direct the CsIT (CO) to ensure that the new RSA tokens are distributed and activated well ahead of time to avoid any inconvenience or hindrance in work.

This may also be brought to the attention of all officers and staff in the field and circulated widely so that the officers take it upon themselves to seek replacement of the old tokens immediately. I am personally writing to you to ensure that the message regarding the urgency of this matter is conveyed with utmost seriousness so that officers do not later take this as an excuse for any lapse of their statutory responsibilities.

Clarifications if any can be sought from Sh Vikram Gaur ADG (S)-4
