The Chief Commissioner of Income Tax (CCA), Kolkata
Aayakar Bhawan
Kolkata.

Attn:- DCIT, Hqrs. (Admn.), Kolkata

Sir,

Sub : Diversion of some posts of ITO's from salary charges to assessment charges
- request regarding...

Kindly refer to the above.

1. Recently, we have received feedback from the various non corporate assessment charges that the work-load in some of the charges are un- bearable and even more than 3 / 4 times of the work load earmarked for an assessment charge at the time of re-structuring of the Department in 2001. So, the officers are reeling under work pressure and get inhumanly stressed.

2. Hence, in the interest of the revenue and better man- management, it is proposed that the following posts may be created by splitting the assessment charges diverting suitable posts from elsewhere. It is needless to say that creation of posts in assessment charges may lead to better handling of assessment cases and result in augmentation of revenue.

Statistical position justifying such proposition is illustrated below:

Sl.No.	ITO Charge	No. of return except e-filed return	Proposal
1	Ward—1(1)/ Hooghly	19516	May be splitted into two wards
2	Ward—1(2)/Hooghly	19295	May be splitted into two wards
3	Ward—1(3)/Hooghly	21720	May be splitted into two wards
4	Ward—1(4)/ Hooghly	11030	May be splitted into two wards
5	Ward---Raiganj	10316	May be splitted into two wards

2. The ITO(TDS), Haldia and ITO(TDS), Nadia are holding the jurisdiction over Midnapore and Murshidabad Districts respectively which are geographically too far away from Haldia and Nadia. Also, the districts of Midnapore and Murshidabad have enough potential to have a separate TDS charge of their own.
3. In view of the above discussion, it is requested that 5(five) posts in assessment charges and 2(two) posts in TDS charges may kindly be created. The above exercise will not only create a conducive working environment for an officer but also increase the effectiveness of the Department.

Yours faithfully,

(Bhaskar Bhattacharya)
General Secretary
