Subject: Target of adding 'New Taxpayers' for F.Y.2015-16

Sir/Madam,

Kindly refer to this office letter of even no. dated 17.7.2015 through which region-wise target of adding new taxpayers for F.Y.2015-16 was circulated. The said target was based on following factors:

S.No.	Factor	Weightage	Remarks
1.	Tax-base as on 1.4.2015	50%	Tax-base
2.	New taxpayers added during F.Y. 2014-15	25%	Existing growth rate
3.	Number of NMS cases identified in FY 2014-15 (non-filers with potential tax liabilities)	25%	Potential

2. In order to enable effective allocation and monitoring of new taxpayers, the Pr.CIT-wise target of new taxpayers has been placed at i-taxnet under the following path:

Resources → Downloads → Systems → _____ → PCIT wise new taxpayer target.xls

3. The target setting exercise revealed that some taxpayers are still shown under the jurisdiction of old assessing officers. The CIT-wise summary of such taxpayer lying with old jurisdictions is provided in the sheet 'Old AOs' in the above workbook.

4. The Pr.CCsIT are requested to take necessary steps to ensure that all the taxpayers lying in old jurisdictions are transferred to the new jurisdictions. The new taxpayers target can be adjusted by Pr.CCsIT keeping in view the migration of taxpayers and other local factors. The said task may be completed by 15.9.2015.

5. This issues with the approval of Chairperson CBDT.

Yours faithfully,

(Ekta Jain)
