Ref. No. _____

To
The Chief Commissioner of Income Tax-I, Kolkata
Kolkata.

Sir,

Sub: Launching of agitation in the Charge of CIT-XI, Kolkata under the banner of JCA (W.B) –intimation reg.

We have already brought to the kind notice of yourself and the CCIT-XI, Kolkata that the officers in the charge of CIT-XI, Kolkata are working under tremendous stress and duress since the assumption of charge of present CIT-XI, Kolkata. We are very sorry to reiterate that her behavior and unnecessary threats have created an atmosphere of fear psychosis in her charge and the officers are going through mental agony. The way the officers are being forced to conduct survey and the manner in which the officers and assesseees are being harassed and insulted by the CIT-XI, Kolkata is regrettable. Neither do we subscribe to the fashion in which artificial notices u/s 142(1)(ii) and budget targets are thrust upon our officers by the CIT-XI, Kolkata.

We are very sorry to observe even after the assurance given to our leadership by the CIT-XI, Kolkata on 11.01.2013 assuring rectification of her behaviour, she had called some of our officers and threatened them with dire consequences. We are therefore constrained to launch an agitation under the banner of JCA till the grievances of our officers are redressed.

As a part of our agitation we have decided that no member of JCA will visit CIT-XI, Kolkata in her chamber upon any summons/notices from her end. In case of any written communication from her our members will restrict themselves to written replies. Our members will not participate in any survey operations conducted in the charge of CIT-XI, Kolkata. We will continue the agitation till she mends her ways and she should not expect any cooperation from the members of JCA during the course of agitation.
