**The Principal Chief Commissioner of Income Tax,
West Bengal & Sikkim Region, Kolkata**

Sir,

Sub: Problems faced by the Assessing Officers for last minute push-back
of unprocessed time-barring returns by CPC, Bangalore- matter reg.

Kindly refer to the above.

Your kind attention is drawn to our earlier communications dated 27.01.2015, 18.03.2015 and 27.03.2015 highlighting the problems faced by our members posted in assessment charges. Unfortunately we have to bring another serious problem faced by our members in the field to your kind notice, even on the last working day of the Financial Year.

As pointed out in our earlier communications, it has become a ritual for each passing year that the speed of the Departmental ITD System gradually slows down as the time-barring date (31st March) approaches. This woe is then multiplied by the last minute push-back of unprocessed time-barring returns by CPC, Bangalore.

Again following the tradition, number of time- barring e-filed returns are being pushed back by CPC Bangalore to different charges of this region, this year too ,at the last moment. The System speed decelerated so much on the last working day that it may not be possible for the assessing officers to even generate the list of cases pushed back on the last day(s).

Under the circumstances, it is requested that the matter should kindly be taken up with the DGIT (System), Delhi and CPC, Bangalore so that this practice shall be discarded forever in future. At the same time, we demand that our members shall not be held responsible for any last minute pushed back return getting time barred.

Yours faithfully,

(SAYANTAN BANERJEE)

General Secretary, ITGOA, WB Unit
