Dear Friends,

My heartiest congratulations to all the ten newly promoted Assistant Commissioners of Income Tax.

Finally, a much delayed promotion order has been passed and all our members have been posted outside West Bengal. The educational grounds of the officers whose children are to appear for the standard X exams have once again been ignored.

The local transfer and posting orders for the cadre of ITO and AO/Sr. PS/PS, which are not related with All India AGT, are due and we have been following up with the office of the CCIT(CCA), Kolkata regularly from March-end for passing the orders immediately. The previous CCIT(CCA) had not passed the orders as some of the senior officers had expressed the sentiment against passing of the AGT orders by a retiring CCIT (CCA). The present CCIT(CCA) is also reluctant to pass the orders as he is holding the chair of CCIT(CCA) in additional capacity. As a result, the field officers are losing their invaluable time for completing the assessment work and this delay will certainly result in mounting pressure on them at the end of the financial year.

It is extremely unfortunate that the charge of CCIT(CCA), Kolkata has been consistently neglected by the Board and this chair remains without a regular incumbent for such long periods of time. This not only stalls all regular functions of the charge, it often becomes a hindrance in keeping up the output and performance level of the officers.

Comradely Yours,

Sd/-

Bhaskar Bhattacharya
